

President's Message

Hello,

Well, another winter month has gone by. Not too much happened, but I did get the Vette out a couple of times. I decided to skip the Portland International Car Show for the first time in a while. Wouldn't you know it; they had a Supersonic Blue Grand Sport there. Doh!!! If I had known that I'd have gone for sure. Oh well, it's just as well. The last thing I need to do is buy a new Vette. We plan on spending our money this year on travelling; hopefully some of it in the Corvette.

At the last meeting, Al told me that I should decide on dates for the Presidents Mystery Tours. I still need to look more for the overnight trip, but I have decided on June 11 for the day trip and June 18th as an alternate if the 11th is bad weather. Hopefully, it will be a great day.

When I was in High School, my best friend's dad was always calling us out about where we had been. This was in the early 1980's, so I think we can rule out any kind of electronic surveillance. There was a bunch of times that we would take off leaving his old man on the couch in his tidy whiteys. We would come back hours later and he would still be in his underwear, but he knew where we had gone. One time, my friend spent the night at my parents' house, which was maybe five miles away from his house. My parents were not home. It was kind of late, maybe 10 or 11pm when we decided to go see some girls. The next day, he knew which girls' house we had gone to, even though that house was maybe 10 miles further away. We never did figure out how he always seemed to know where we were....

A couple of days ago, I got a call from my father (who now lives in Arkansas) informing me that one of his friends had called him and told him that a Bright Blue Corvette had flown by him on the way to the coast. He knew it was me because of the Widget plates. Evidently, he also said that he had tried to catch me but couldn't. LOL. I must have hit some corners or something. I may go fast in passing but slow back down and put it on cruise control afterwards, unless it gets curvy. I ended up turning off at Blodgett to try the old road to Alsea. That call brought back those memories from high school, although my dad blew the mystery by telling me who had called.

If you get a chance to take your car out for a drive, take it. That's what we bought these cars for. If you want to invite the rest of us to go with you, simply send an invitation to all of us by sending an email to:

Need Help!!

My 2008 automatic tran vette exhibits a very short shudder when I take my foot off the gas pedal when travelling at highway speeds. It does the same thing when in cruise--going down a hill and the cruise is searching for the correct speed. There is no backfire--just a very short hesitation before everything slows. Any advice on possible cause, please call:

Good Morning,

I fabricate and market a replacement headlight bucket for the Pontiac Fiero. It allows you to install Hella 60mm high and low beam projector modules. This DOT compliant fixtures utilizes a 9005 quartz halogen bulb which may be legally upgraded to a 9011 HIR (not to be confused with HID). This is not a flush mount set-up.

I wish to build a kit for the C5 (and someday the C4). I need a donor car to measure and fit to. I also will need a complete functioning pop-up headlamp/bucket/motor assembly. I live in Philomath and am looking for a local car owner who would be interested.

If there is anyone in your club that comes to mind, please have them give me a call.

Check my website at www.projectorretrofit.com.

The Kiwanis Club of Sweet Home is presenting the "Sweet Ride" event with help from the Rotary Club, the Linn/Benton Young Marines, the Sweet Home Chamber, the Kiwanis Key Club, the Frontier Sportsman's Holiday Court, our veterans club, Mayor Craig Fentiman, and many other volunteers will be helping run the event. Miss Oregon USA, Miss Oregon Teen USA and our Rodeo Queen will be available for photographs and make special presentations. Our Frontier Sportsman's Holiday court will be choosing the "Princesses' Sweet Ride" trophy. The Rodeo Queen will be choosing the Queen's Choice, our mayor will be choosing his favorite vehicle and present the Mayor's Choice award. Our fire department will award the "Coolest Flames" trophy and our Sweet Home Police Department, the Linn Co. Sheriff's Dept., and the Oregon State Troopers will each be choosing the vehicle "Most Likely to Get a Ticket". Sweet Home police and fire department vehicles will be on exhibit.

A Photographer will be on hand, using the Weddle Bridge as a back drop for your prized vehicle, and you'll receive a free photograph. Top winners of this event will be asked to stage their vehicles at the bridge site for a photographic session, which will result in our 2012 logo.

Over 100 hand-made trophies will be awarded, and fifteen children will be choosing their favorites and then personally award a "Kid's Pick" trophy to the winners. Included will be a great raffle and a 50/50 drawing, and a downtown poker walk. The poker walk participants with the five best poker hands will win \$150, \$100, \$75, \$50 or \$25. Early car show registrants get one hand free, additional poker hands are \$5 each.

The Kiwanis Club wants your club represented here in Sweet Home. As an incentive, the club participation award will be accompanied by a check for \$150 which will go to the charity of the winning club's choice.

The first 100 pre-registered vehicles will receive a t-shirt, dash plaque, one free poker hand, a goody-bag, and will be entered into a drawing for a chance to win two 3-day Oregon Jamboree tickets.
