From our President

Ron Young, aka "RDub"

Hello BSCC,
I'm just gonna touch on a few things so bear with me.

First off, I'd like to wish Gwen a speedy recovery from her visit to the hospital. She should be back on her feet in the next few weeks.

Thank you to all everyone who responded to the "New Ideas" email I sent out. Lots of great comments and suggestions came back to me. The Board will review them and we should start seeing some implementation in the next few weeks.

Our calendar is filling up fast, so keep a close eye on upcoming events and cruises. The calendar will be put on our web site and updated as quickly as possible with new events and dates. Check with Jeff Twitchell if you have any event questions or Jim Cooper with web page questions.

This next meeting will be at Ciddicci's. We are going to start right at 6:30 pm, so please plan your dinner and such accordingly. Everyone with vehicles in the Heritage Mall show, be sure to bring a copy of your insurance so our paperwork will be in order.

Save the Wave !!

Officer Meeting Minutes

Beaver State Corvette Club
Officer Meeting Minutes
February 27, 2004

Attendance: Ron Young, Suzi Goodwin, Jeff and Pam Twitchell, Jim and Sally Cooper.

Discussions

March meeting: The march meeting will be at Cidicci's Restaurant in Albany.

Meeting locations: Based on feedback from club membership, it was decided to continue changing the locations for the club meetings on a monthly basis.

April Meeting place will be in Corvallis: It was decided to have the general membership meeting at the El Presidente restaurant in Corvallis. This will be the April 13th meeting.

Membership cards: It was decided that Ron would print out individual membership cards for club members. They'll need to provide him with the details and then he'll print them.

Phone tree: Jim presented a draft of the phone tree for the club. This will be used as a method of contacting members for impromptu cruises or other club activities. Jim will be contacting the folks at the top of the lists (that will receive the initial contact) to insure that they are okay with receiving the call and contacting the other members on their list.

Woodburn Drags: We have tentatively scheduled a day to meet at Woodburn for participation in a "Corvette Challenge". Check out the events calendar for dates and details!

Progressive Dinner: Plans on continuing to participate in a club-sponsored progressive dinner. Stay tuned for details!

Heritage Mall Show: So far we have 16 cars and still could use some more. There will be a signup sheet at the next meeting for volunteers for the booth at the show. Ron is going to check into getting shirts for participants. Since we can't get into the mall until 9:00 pm, we're planning on have a staging meeting at Los Dos Amigos in Albany again this year. (Okay, we're going to meet for dinner prior to moving the cars into the mall!!!) Anyway, Sally and Jim will be making reservations for 7:00 pm for attendees.

Any questions or comments please contact Ron
