## Prez Comments:

Hello Everyone,

I hope this letter finds you all happy, healthy and enjoying your corvettes. (If you can, I should say if you dare!!!) It appears winter is here with all the ice and rain, everyone please drive careful. This will be my last letter to everyone, so you might get your newsletter a little faster and Terry won't have to wait for me to get it out. I keep forgetting, I don't know for sure who will be doing the newsletter, but whoever it is they won't be waiting for me, every month.

I would like to take this time and thank all of our officers for doing a great job, which made my job a lot easier. Also, thanks to all of the members who volunteered their time and efforts throughout the year. For 2005 we hosted the Heritage Mall and helped out at Albany Traffic Jam. Several members have talked about doing an event with our club. Maybe in 2006 this topic might come up again. I want to thank Carolyn and Gene Kidd for hosting the Christmas Party and are truly sorry about the attendance.

Don't forget to attend our Year End Party on Saturday, January 7<sup>th</sup>.

Thanks Again to Everyone and will see you at the Party.

## BSCC Club Notices:

I apologize for getting the newsletter out late this month. I have no excuse as I just forgot to get to it last week and then I decided I would wait until after the year end banquet. Thanks for your patience and I will try to do better.

## 2006 BSCC Officers:

At the year end banquet, the 2006 BSCC officers were announced. Rory Stiles will be the president, Wayne Schmidt is vice president, Suzi Goodwin is Secretary and Mary Hobson will be treasure.

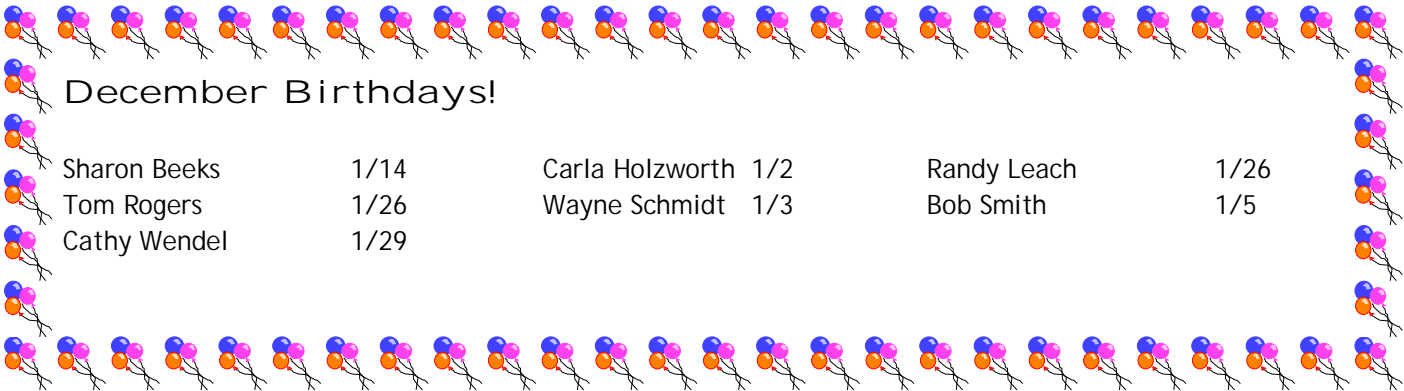

I would like to thank our outgoing officers for a great year and their support and dedication to the club.

## Year End Banquet:

On January 7th BSCC had their year end banquet at the Comfort Inn Suites hotel in Albany. From my point of view, it was a great banquet and I think every one had a great time. It started with a no host bar and finger food. So most of us filled our plates and had conversations over a car, good times and what items were on the raffle table. A few may have thought that the buffalo wings may have been a little hot but for me that just meant I had to get another drink. After dinner, thanks went out to our outgoing officers and some awesome plaques were awarded and then the new officers were announced and Rory was coerced to give a speech. Following speeches many people participated in a wild game of Bunco. Dice were flying everywhere and people were playing musical chairs. A few of us became spectators and just enjoyed our drinks and watched. The DJ for the evening started playing music to add to the atmosphere. To add to the excitement a few cashews and other assorted nuts flying through the air and landing in some unsuspecting persons drinks. I won't mention names as those that started this know who they are and were later introduced to the true meaning of beer nuts. The evening topped off with the DJ playing tunes for and many of us stayed and danced to the tunes. All in all the evening went great! We even

Thanks to those that put in the time to put this together for our club.
