Prez Sez;

We are off to a new year. I am excited to have the opportunity to serve the club as your President. I am looking forward to having a lot of fun this year and getting to spend time with all of you as the year goes on.

We have an event coming up the first weekend in March. The Heritage Mall in Albany has invited the club to display our Corvettes the weekend of March 2nd, 3rd and 4th. This is an annual event and I encourage all of you to bring your Corvettes on over and show them off. This is a good opportunity to have some fun and perhaps attract new members.

We will have a sign up sheet at the Club meeting on the 13th.

See you then. Have a great month.

## HEADS or TALES?

BSCC Club Notices:

Event Coordinator:

Hello BSCC.

There are a few events I will be mentioning in greater detail here for those who can not make the upcoming meetings. In general if you have any questions or interest in events listed in the newsletter, or know of an event you want more information on, feel free to write me.

The first even is the mall show in March. This is a good opportunity to meet current and former corvette owners, as well as enthusiast of all ages. We usually end up finding several new members at this event and it is a good was to kick off the season. One of the best parts is getting to drive your car through the mall. This is an event we need your help with. We need two things. The first is cars to put in the mall. We want all years, stiles and colors (there are colors other than red?). The second thing we need are people. We set up a table to pass out information, answer question, recruit new members and keep an eye on the cars. If you can spare either you or your cars time please sign up.

Again, feel free to email me at [armstrr@peak.org](mailto:armstrr@peak.org). Please put BSCC in the subject heading so you do not inadvertently end up in my spam folder.
