Prez Sez;

Thanks to everyone that participated and helped with the Heritage Mall show.

Hope to see everyone at the next meeting.

HEADS or TALES?

Words can not adequately express my thanks to everyone that built our fence. I was so overwhelmed!

My youngest son had taken me to Moscow, Idaho to see my oldest son, and we returned on Wednesday night to find the old fallen down fence removed and new fence posts set. Then on Saturday February 10th, fourteen Beaver State and Cascade Corvette club members showed up and finished building the fence in wet, cold, nasty weather. It really shows our Corvette Clubs are more than a club, they are our family.. .

Thanks to our Corvette Club Family, on Monday Feb. 12th, Mary and I brought home the puppy I had wanted for so long. Our new daughter, we named our "Angel", a purebred Sheltie. It was instant bonding.

Here is a brief update on my condition. On Jan. 22-24th, I was treated at OHSU for my liver cancer. The doctors were pleased with the outcome; they had fried the majority of the tumor. I am now scheduled to be at OHSU Feb. 26th thru March 2nd doing pre-transplant lab work, evaluation, and consultation.

*God Bless you all,
Al Sather and my "Angel"*
